## Regulation 28 maximum investment ratios

- No more than 75% may be invested in equities
- No more than 25% may be invested in property
- No more than 90% may be invested in a combination of equities and property
- No more than 5% may be invested in the sponsoring employer
- No more than 15% may be invested in a large capitalisation listed equity, and 10% in any single other equity
- No more than 20% may be invested with any single bank
- No more than 15% may be invested off-shore
- No more than 2,5% may be invested in “other assets”. Derivative instruments are not defined, leaving them to fall within this “other assets” category.
- There is provision for the Registrar to exempt funds from some or all of these maxima on prior written application.
