

CRF High Equity

November 2015

Launch date

December 2012

Fund description

Combined - Multi asset class - Specialist

Portfolio description

This portfolio is managed within what Investment Solutions regards to be aggressive investment parameters. Within each asset class, the investment managers are given specific mandates aimed at growth in capital value. In constructing the local component of this portfolio, Investment Solutions allocates the assets primarily to equities. The global component has a similar investment profile, with allocation to global equities, bonds, cash and alternative investments.

Value of R 100 invested since inception
