

2021 TRUSTEE ELECTION

NAME AND SURNAME:	Gerhardus de Beer
EMAIL:	debeer.gerhard@columbus.co.za
POSITION AND DEPARTMENT:	Manager: Cold Products Metallurgy and Development
QUALIFICATIONS:	B.Eng (Material) , M.Eng (Mechanical)
BACKGROUND:	I have a 12 year history with Columbus Stainless and Middelburg. My career includes process engineer positions in both the Hot and Cold side as well as Technical Customer Services. I am happily married for almost 21 year and have three wonderful children.
MAJOR ACHIEVEMENTS:	An Achievement can only be celebrated if there are no losers. I view my greatest achievement being able to successfully balance my work, family and other Middelburg community leadership positions.
WHY SHOULD YOU BE ELECTED?	I understand this is "Our" fund and I endeavour and pledge that I will do my utmost as Trustee to make sure the fund is managed well to the benefit of us all. I pride myself in my own integrity, honesty, objectivity and selflessness which are some of the key characteristics that a trustee should posses.
